

ADDENDUM # 1

From: Lena L. Butler, Purchasing Supervisor
To: All Bidders
Project: Inmate Clothing
Date: August 15, 2017

This addendum is issued regarding questions received in response to “INMATE CLOTHING” and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

1. Can you send me or post as an addendum who holds the current contract and at what price for the Inmate Supplies that you have bid out? **This is the first year that we have bid out these items. In the past, we purchased on an as needed basis and issued a purchase order for each purchase. See attached document. I asked the department to make a list of the items that are most frequently purchases so that we could request bids to see if we could save money. Attached is a spreadsheet containing the prices we have paid for the items listed.**
2. Will you be awarding by item or is this an all or none bid? **This is not an all or nothing bid. Bidders may bid only on select items.**
3. Do all items have to be bid? **All items do not have to be bid. When there is no bid, Bidders shall write “No Bid” in the appropriate column. Samples of all items will be required.**
4. Under “Product Name” you list “Black stencil Pants and Black Stencil Shirts”...is this just for the stencil on the pants & shirts? **Yes, this is just describing that the stencil is black. There are no black pants or black shirts.**
When pricing the Tri-stitch shirts and Tri-stitch trousers, do you want the stencil included again? **Please note that the cost of all shirts and all pants shall be quoted to include the stencil price.**
5. Please note that on the last page of the bid pricing sheet right before the signature, the prices should be firm through June 30, 2018.
6. **Please note that we are requiring samples with your bid proposal. You only need to submit one of each item; not one of every size. Mail your samples to:**
New Hanover County Sheriff’s Office
