New Hanover County
Environmental Management Dept.
RFB #18-0199
HYDRO-SEEDING AND SILT FENCE CONSTRUCTION
Addendum #1 of Re-Bid

Answers to Questions Submitted by Potential Bidders:

**Question**: Do you happen to have a site plan? I’m trying to determine the slope (e.g. 2:1) and a slope run length. A quick review of the hydroseeding specifications indicate that the mulch rate will be inadequate for anything over a 4:1 slope.

**Answer**: A site map is attached.

As a reminder, the deadline for receipt of sealed bids is 5:00 p.m. EST, Monday, January 8, 2018. The sealed bids must be delivered to NHC Environmental Management, Kim Roane, Business Officer, 3002 U.S. Highway 421 N., Wilmington NC, 28401.

Your participation in this bid process is welcomed and appreciated.

Kim Roane, Business Officer (910) 798-4402
