Pre-submittal Questions and Answers

May 15, 2018

Q: It was mentioned that an ALTA survey would be provided, can you give me a time-frame when to expect this?

A: We anticipate this being conducted by late September or early August. This will be provided to teams that are invited to submit full proposals.

Q: Also, a Hazardous Materials report mentioned, do you know when this will be made available?

A: We anticipate this being conducted by late September or early August. This will be provided to teams that are invited to submit full proposals.

Q: How do I get a copy of the Parking Deck drawings?

A: Please email Lena Butler at lbutler@nhcgov.com and she will provide you with access to a FTP site with these documents.

Q: Can I get a copy of the sign-in sheet from the Pre-submittal conference?

A: Please email Lena Butler at lbutler@nhcgov.com and she will provide you with access to a FTP site with these documents.

Q: How many parking spaces in the parking deck can be made available to this project?

A: There are currently 620 spaces in the parking deck with the opportunity to provide approximately 20 more spaces through restriping. In the 2022/23 term, NHC can make available to the project for public and private parking all but 100 spaces.

Q: Do you have as-builts for the old Register of Deeds building?

A: We have partial plans that can be made available by emailing Lena Butler at lbutler@nhcgov.com. She will provide you with access to a FTP site with these documents.
