

ADDENDUM # 1

From: Nancy Broughton, Administrative Technician
To: All Bidders
Project: Automotive Parts & Accessories
Date: July 17, 2018

This addendum is issued regarding questions received in response to the County's Request for Bids for "AUTOMOTIVE PARTS & ACCESSORIES" and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

1. Do you have a list of Vin #s to get the correct parts and prices?

Due to confidentiality concerns we are not able to provide a list of vehicle vin numbers. Attached is a vehicle list which includes year, make and model. We need to know what brand parts your company can provide and the percent discount off the manufacturers price list.

2. How will this be awarded?

The bids will be awarded to several companies based on the brands available, the discounted price and time required for delivery of parts ordered.

3. Do we just simply state if we can supply the requested manufacturers and if we have a price list?

Please list the percent discount your company can give off the manufacturers price list for any brands that you stock. Feel free to add any brand names not listed.

4. I am hoping you can email me a copy of any specifications and/or documents associated with this project.

Please visit our website <https://www.nhcgov.com/business-nhc/> to download the full document.

5. Is there a list of parts that need to be quoted?

Please visit our website <https://www.nhcgov.com/business-nhc/> to download the full document.

6. Was wondering if you could send us a copy of the auto parts and accessory bid.

Please visit our website <https://www.nhcgov.com/business-nhc/> to download the full document.

7. Just wanted to verify, do you have a specific list of vehicles that you would be needing batteries for or do you just need a list of all of our stocked items in that category?

We have a large fleet of cars, pickup trucks and vans of various makes and models. Please note the brands that you stock and the percentage discount off the manufacturers price list.
