New Hanover County Request for Proposals Shuttle Service

A. BACKGROUND

New Hanover County is in the process of constructing a new facility to house the Department of Social Services and the Health Department at 1650 Greenfield Street in Wilmington, NC. The new facility will be known as New Hanover County Public Health and Social Services. The new building is being constructed in the parking lot of the existing Department of Social Services (DSS) and this has created the need for offsite parking for DSS staff during construction. The offsite parking is located at the Scottish Rite Temple at 1415 S. 17th Street, approximately 0.16 miles from the DSS entrance. Approximately **175** employees use the offsite parking during the work week. In an effort to provide ample commute options and mobility access to their employees, New Hanover County is interested in offering a shuttle serving DSS as an amenity to employees.

New Hanover County is seeking bids for a turnkey operating service to provide this shuttle activity. Ideally, the stakeholders in this effort expect the first day of operation to be August 13, 2018.

B. PROPOSED ROUTE

The shuttle would utilize the most dependable, efficient route between the Scottish Rite Temple parking lot and the front entrance of DSS.

C. PROPOSED ROUTE SPECIFICATIONS

1. HOURS, SCHEDULE AND HEADWAYS

The shuttle will operate during inclement weather which is defined as severe or inclement weather that has the potential to disrupt the normal operation and /or activities of the County. Examples include heavy or persistent rain, snow, ice, severe cold, or flooding.

The shuttle will operate in two shifts: 7:30 – 8:30 AM, then again from 4:30 – 6:00 PM, The shuttle will operate on a conservative, published schedule, achieving 10 – 15-minute roundtrip headways. Stop times will be established for all pickup points on the route.

The County will give notification that Shuttle Service is needed by 6:00 am in the morning and 3:00 pm in the evening.

2. VEHICLES SIZE, INSURANCE

The vehicle(s) used for this route should be no less than 21- passenger, and no more than 30 passenger capacity. The stakeholders anticipate that the ridership at the end of the first year of operations will be approximately 120 - 175 per day.

The shuttle service chosen to operate this route should carry insurance policies that provide at least the levels identified below. The chosen operator will also add New Hanover County to their policy as additional insured.

The requirements listed below are the GENERALLY ACCEPTED insurance requirements for this class of business.		
Insurance Description	Minimum Limits of Insurance Required <i>**Subject to change depending on size/location/description of work**</i>

3. ELIGIBILITY AND RIDERSHIP DATA

The County does not wish to collect a per-boarding fare from all shuttle riders. Only current New Hanover County employees will be eligible to ride the shuttle.

The operator will also keep a daily log of boarding's and de-boarding's at each stop along the route. The documents for this activity will be provided by the contracting entity to your company. to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S. C. 1352. Each tier shall comply with Federal statutory provisions to the extent applicable prohibiting the use of Federal assistance funds for activities designed to influence congress to a State legislature on legislation or appropriations, except through proper official channels. Each tier shall also disclose the name of any registrant under the Lobbying Disclosure Act of 1995 who has made lobbying contacts on its behalf with non-Federal funds with respect to that Federal contract, grant or award covered by 31 U.S.C. 1352. Such disclosures are forwarded from tier to tier up to the recipient.

The requisite "Lobbying Certification" is included as ATTACHMENT A (attach Standard Form-LLL if necessary) and must be executed for contracts of \$100,000 or more and prior to the award of the contract.

G. Equal Employment Opportunity - The following equal employment opportunity requirements apply to the underlying contract:

Race, Color, Religion, National Origin, Disability, Age, Sexual Origin, Gender Identity, or Status as a Parent - In accordance with Title VII of the Civil Rights Act, as amended, 42 U.S.C. § 2000e, Title VI of the Civil Rights Act, 28 C.F.R. § 50.3, and Federal transit laws at 49 U.S.C. § 5332, the Contractor agrees to comply with all applicable equal employment opportunity requirements of U.S. Department of Labor (U.S. DOL) regulations, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," 41 C.F.R. Parts 60 et seq., (which implement Executive Order No. 11246, "Equal Employment Opportunity," as amended by Executive Order No. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," 42 U.S.C. § 2000e note, and as further amended by Executive Order 13672, "Further Amendments to Executive Order 11478, Equal Employment Opportunity in the Federal Government, and Executive Order 11246, Equal Employment Opportunity," July 21, 2014, and with any applicable Federal statutes, executive orders, regulations, and Federal policies that may in the future affect construction activities undertaken in the course of the Project. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

H. Contract Work Hours and Safety Standards Act

The Contract Work Hours and Safety Standards Act is codified at 40 USC 3701, et seq. The Act applies to grantee contracts and subcontracts "financed at least in part by loans or grants from ... the [Federal] Government." 40 USC 3701(b)(1)(B)(iii) and (b)(2), 29 CFR 5.2(h), 49 CFR 18.36(i)(6). Although the original Act required its application in any construction contract over \$2,000 or non-construction contract to which the Act applied

over \$2,500 (and language to that effect is still found in 49 CFR 18.36(i)(6)), the Act no longer applies to any “contract in an amount that is not greater than \$100,000.” 40 USC 3701(b)(3)(A)(iii).

The Act applies to construction contracts and, in very limited circumstances, non-construction projects that employ “laborers or mechanics on a public work.” These non-construction applications do not generally apply to transit procurements because transit procurements (to include rail cars and buses) are deemed “commercial items.” 40 USC 3707, 41 USC 403 (12). A grantee that contemplates entering into a contract to procure a developmental or unique item should consult counsel to determine if the Act applies to that procurement and that additional language required by 29 CFR 5.5(c) must be added to the basic clause below.

I. Clean Air Act

(a) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to Section 306 of the Clean Air Act as amended, 42 U.S.C. § 7606, and other applicable provisions of the Clean Air Act, as amended, 42 U.S.C. §§ 7401 through 7671q. The Contractor agrees to report any violation to the Purchaser and understands and agrees that the Purchaser will, in turn, report each violation as required to assure notification to the State and/or FTA and the appropriate EPA Regional Office.

(b) The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal Assistance provided by FTA.

J. Clean Water

(a) The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to Section 508 of the Clean Water Act, as amended, 33 U.S.C. § 1368, and other applicable requirements of the Clean Water Act, as amended, 33 U.S.C. §§ 1251 through 1387, The Contractor agrees to report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

(b) The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

K. Debarment and Suspensions

This contract is a covered transaction for purposes of 2 CFR Part 1200, which adopts and supplements the provisions of U.S. Office of Management and Budget (U.S. OMB) “Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement),” 2 CFR Part 180. As such, the contractor is required to verify that none of the contractor, its principals, as defined at 2 CFR 180.995, or affiliates, as defined at 2 CFR 180.905, are excluded or disqualified as defined at 2 CFR 180.940,

180.935 and 180.945.

The contractor is required to comply with 2 CFR 180, Subpart C and must include the requirement to comply with 2 CFR 180, Subpart C in any lower tier covered transaction it enters into.

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows:

The certification in this clause is a material representation of fact relied upon by the **Procuring Agency**. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to **Procuring Agency**, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 CFR 180, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

The Procuring Agency agrees and assures that its third party contractors and lessees will review the "Excluded Parties Listing System" at <https://www.sam.gov/> before entering into any subagreement, lease or third party contract.

The Procuring Agency will be reviewing all third party contractors under the Excluded Parties Listing System at <https://www.sam.gov/> before entering into any contracts.

If the Procuring Agency, recipient, or subrecipient suspends, debar, or takes similar action against a Third Party Participant or individual, the Agency, recipient, or subrecipient will provide immediate written notice to the:

- (a) NCDOT/Public Transportation Division,
- (b) FTA Regional Counsel for the Region in which the Agency is located or implements the Project,
- (c) FTA Project Manager if the Project is administered by FTA Headquarters Office, or
