ADDENDUM # 1

From: Lena Butler, Purchasing Supervisor
To: All Bidders
Project: RFB # 19-0303-Blair Elementary School-Standby Generator
Date: January 23, 2019

This addendum is related to the County’s Request for Bids “RFB # 19-0303-BLAIR ELEMENTARY SCHOOL STANDBY GENERATOR” and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

Questions Received:

1. In the first page of the bid package it states Eaton Elementary School-Standby Generator. On page two it says Blair Elementary School. Which is correct?

   The correct school is Blair Elementary. The title was not corrected on the first page of the document.

2. Also confirm this is for an 800kW generator.

   On Drawing E-001, the size is noted as 800 KW Generator 480/277 VAC. This is correct.

3. In preparing the bid I cannot tell if a new ATS is required. We are going to bid with one included but can find no reference to one in the drawings.

   The ATS already exist, but be sure to include the external 400KW load bank.
