ADDENDUM # 1

From: Lena Butler, Purchasing Supervisor
To: All Bidders
Project: Purchase of Yamaha 150 Boat Motor
Date: February 13, 2019

This addendum is related to the County’s Request for Bids “RFB- Purchase of Yamaha 150 Boat Motor” and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

Questions Received:

1. Do we have to register with the county as a vendor to submit a quote on this bid? RFB PURCHASE OF YAMAHA 150 HP BOAT MOTOR? No, you don’t have to be registered prior to bidding. If you are the successful bidder, we can get your information upon award of bid.

2. What type of boat is this motor going on? It is a custom built 22-foot flat bottom skiff.

3. Are they wanting digital or analog gauges and as far as the delivery fee, if we are rigging it, are we to deliver it after it is rig or exactly how are they wanting us to work that? I followed up with the Sheriff’s Office. The answer is analog gauges and you will have to rig it at your facility. We will not deliver it to your facility. You will have to come and get the boat, rig it, and deliver it back to us.

Please include a copy of this Addendum with your Bid.
