ADDENDUM # 1

From: Lena Butler, Purchasing Supervisor
To: All Bidders
Project: RFB # 19-0335 Government Center Pole Light Replacement
Date: March 13, 2019

This addendum is related to the County’s Request for Bids “RFB # 19-0335-Government Center Pole Light Replacement” and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

Questions Received:

1. Will a permit be required on this project? I did not see where one was required in the bid documents.
   
   A permit will be required for this project.

2. Can we change the Scope of Work wiring distance from the handhole from 70ft to 140ft? This would keep everyone bidding apples to apples.

   All prospective bidders should note the change in distance for the wiring from 70ft to 140ft.

3. Are in-line fuses going to be required for each pole we are re-feedeing?
   
   In-line fuses are going to be required for each pole that is being re-feed.

Please include a copy of this Addendum with your Bid.
