This addendum is related to the County’s Request for Bids “RFB – Mobile Dental Unit” and is hereby made a part of said RFP to the same extent as though it were originally therein.

The following questions were inadvertently omitted from Addendum 1:

Question #1 - 2.9 states “The award of any contract resulting from this bid will be made to the lowest responsible bidder, taking into consideration quality, performance and time specified in the bid for the performance of the contract.” – Are you able to elaborate on how “quality, performance and time specified…” will be evaluated? Will it be low price or will other factors be taken into consideration? And if so, how?

Factors will include the following:
- Design, functionality, and product quality 35%
- Price 35%
- Project schedule 10%
- References, experience and qualifications 10%
- Training, delivery, service and maintenance 10%

Question #2 – Line 27 on page 12 – “Hospital grade flooring”. Are there other line items that are required to be “hospital grade”? i.e. – ceiling, walls, outlets?

Hospital grade flooring required. Medical/hospital grade countertops and cabinetry preferred. Rationale: These surfaces are constantly being disinfected with strong disinfectant chemicals so they need to be able to withstand such use over years.

Question #3 – Line 10 on page 13 – “Sky mural in laboratory area”. Will the design or image be provided or would you like the sky mural to be designed by the bidder? How would you like the sky mural to be installed or displayed?

The intended sky mural is a light cover. It will be obtained and designed by bidder. It should be made of an appropriate material for covering LED light. Shapes and patterns to be recommended by bidder.
Question #4 – Line 20 on page 13 – Would you like the bid winner to be in charge of exterior graphic design?

Yes, design is requested from bidder. New Hanover County will supply a graphic of the County logo and certain required/necessary language to be incorporated in the graphics package.

Question #5 - Line 24 on page 13 – Will you elaborate on “multiple receptacles”? Multiple electrical receptacles are needed, including, but not limited to, above the countertops on the wall and on the outside of the lower cabinets. Are you referring to electrical receptacles? Yes, electrical receptacles only. Or another type of receptacle? No.

Question #6 – Line 26 on page 13 – “Allowance for interior décor upgrade”. What items would be included in an interior décor upgrade?

Allowance for upgraded cabinetry, countertops and window cornice boards/coverings.
