ADDENDUM # 1

From: Lena Butler, Purchasing Supervisor
To: All Bidders
Project: RFB-Prepositioning Mass Feeding Solicitation-Hot Meals & Services
Date: Monday, July 8, 2019

This addendum is related to the County’s Request for Bids “Prepositioning Mass Feeding Solicitation-Hot Meals & Services” and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

Questions Received:

1. Does the county have an approximation of the quantity of people to be fed per day? We would like to start to plan for 15,000 meals total (5,000 meals for each meal, three times a day).

2. Will we be providing food services from one location or multiple locations? Food service would need to be provided to three emergency shelter sites, the Emergency Operations Center, and up to 10 public safety partner (EMS, Fire, Sheriff, Police) locations. Depending on the proposed service model, collaboration could occur with distribution.
