

NHC Request for Bids HHSF Lobby Furniture –Addendum 1 – 6/17/2020

Please see below for all questions received with answers in RED:

1. Can you provide me with the CF Stinson vinyl name & color on ALL seating listed as there are several grades that would fit that description & price is based on the grade of vinyl?
We have not selected an actual color yet but we will want this to match or coordinate with the other floors which used CF Stinson “Avant”. No substitutions will be accepted.
2. Is there a loading dock available for delivery? **No.** Also, are you requesting complete installation (deliver, assemble, set up, remove trash/debris)? **Yes.** Will you receive delivery or should our installers receive delivery at their warehouse? **Please receive delivery at your warehouse.**
