

NEW HANOVER COUNTY  
FINANCE DEPARTMENT

To: All Bidders  
From: Lena E. Butler, Purchasing Supervisor  
Date: November 16, 2020  
Subject: Rejecting all Bids for **RFB Janitorial Supplies**

On August 20, 2020, bids were received for **RFB Janitorial Supplies** to be used by several County departments.

Staff met on September 10, 2020, to review and evaluate the bids received. At this time, we were within the 30-day window to award the contract/s. Upon further review, we regret to inform you that the decision has been made to reject all bids and to cancel the solicitation. No award would have accomplished the desired outcome; therefore, the County has determined not to move forward with any awards.

Again, thanks for your interest in working with New Hanover County. At this time, there is no plan to reissue the solicitation. Samples shall be returned to bidders at their request and expense.
