

NEW HANOVER COUNTY
FINANCE DEPARTMENT, PURCHASING DIVISION
ADDENDUM 1

From: Lena Butler, Purchasing Supervisor
To: All Bidders
Project: **"RFB # 21-0385 Sneed Drive Culvert Replacement"**
Date: May 26, 2021

This Addendum is related to the County's Request for Bids **"RFB # 21-0385_Sneed Drive Culvert Replacement"** and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

1. Will you confirm the technical specifications are correct for this project? Below is what is listed on page 14 of the bid packet.

SECTION 100

SCOPE OF WORK

100.1 - Project Description

This project provides for the removal of debris and sediment from streams and open drainage channels in Everette Creek and Barnard Creek watersheds in New Hanover County. Quantities and unit prices will be tracked and documented for each creek's watershed.

No, that is not correct. The correct description is as follows:

This project provides for the removal and replacement of an existing culvert under Sneed Drive and stabilization and reconstruction of the adjacent embankment on the downstream end of the culvert. Work includes, but is not limited to, grading, drainage, paving, and traffic control.

2. Sheet C4.00 Class "A" Riprap: Will #4 stone be an acceptable substitute for Class A riprap?

Engineer Response: No. 4 stone is not an acceptable substitute for Class A riprap. Please refer to NCDOT Standard Section 1042 for size requirements for riprap materials, including Class A and B stone as detailed on the plans.

3. Sheet C4.00 General Note #4 I have not be able to find a local supplier/source for the boulders in the sizes and shape required. Are you able to recommend a source or alternate for this item?

Engineer Response: Header boulders similar to what is specified on plans should be available from most quarries. It is anticipated that most boulders will not meet exact dimensioning, however, similar sizes should be available and/or could be selected based on visual inspection from engineer. Engineer should be consulted when selecting boulders and boulder source to ensure that sizes/shapes will be satisfactory for application.

4. Please use the attached **REVISED BID SHEET** to submit your bid. Bids are due **June 9, 2021 at 2:00 PM EST.**

REVISED BID SHEET

Section 6 – Bid Proposal for Sneed Drive Culvert Replacement

NEW HANOVER COUNTY
Sneed Drive Culvert Replacement
Bid Form
RFB # 21-0385

Deadline for Receipt of Bids: June 9, 2021 @ 2:00 PM

I certify that this bid is made without prior understanding, agreement or connection with any corporation firm, or person submitting a bid for the same services and is in all respects fair and without collusion or fraud. I understand collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards. I agree to abide by all conditions of this bid and certify that I am authorized to sign this bid for the bidder.
