

RFQ # 22-0141 CONSTRUCTION MANAGER AT RISK SERVICES FOR EMERGENCY LOGISTICS CENTER
ADDENDUM 1:

8/19/2021 – QUESTIONS RECEIVED WITH ANSWERS IN RED:

1. Is the required Statement of Qualifications (SOQ) inclusive of Section 5: Selection Criteria & Format of Proposal as described on Page 10 and Page 11 of 12? **Yes, this is the criteria that will be scored by the selection committee that will determine ranking of firms. I have included the scoresheet that will be used that gives further breakdown of the criteria. Please take note that the overall percentage for the 3 categories has changed slightly and is reflected on the scoresheet.**
2. Referencing bullet point number 9 on page 9 of 12, are there any other project milestones for design deliverables and construction that can be shared with the prospecting construction managers? **We are almost finished with schematic design and are only providing the desired completion date at this time because we want to hear from the CM@R candidates if they think they can meet this end date and what their strategy will be to expedite the process.**
