

**NEW HANOVER COUNTY  
FINANCE DEPARTMENT, PURCHASING DIVISION  
ADDENDUM 1**

From: Lena Butler, Purchasing Supervisor  
To: All Bidders  
Project: RFB-Northern Regional Park Multiuse Path  
Date: February 28, 2022

This Addendum is related to the County's Request for "RFB-Northern Regional Park Multiuse Path" and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

1. We are having some trouble with the quality of the plans on the above referenced project. Have you issued any updated drawings for better clarity?

Please use the link below:

2. The bidding documents call for a lump sum bid, but there are alternates listed on the plans. Are we to bid the alternates?

This will be a lump sum bid with the alternates that are called out on the plans with unit costs for the following:

- Unsuitable soil (as determined by the geotechnical engineer) removal and disposal and replacement with approved fill material – Cubic Yard cost
- Geotechnical Fabric – Square yard cost
- Bridge replacement with Multi-use path

We do not know how much Unsuitable soil (as determined by the geotechnical engineer) will need to be removed, disposed, and replaced with approved fill material – provide a Cubic Yard cost for suitable soil replacement and square yard costs for Geotechnical Fabric

Provide cost for bridge to be removed, disposed, and replaced with asphalt per specifications and designs

3. See revised bid sheet attached.
