ADDENDUM 1
QUESTIONS AND ANSWERS**

From: Lena Butler, Purchasing Supervisor
To: All Proposers
Project: Readvertised RFP Prepositioning Contract for Mobile Laundry Unit
Date: June 9, 2022

This Addendum is related to the County's Request for **"RFP-Readvertised Prepositioning Contract for Mobile Laundry Unit"** and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

Our questions are regarding consideration of our current inventory ownership for the Mobile Laundry Units on this RFP.

- 1) Would New Hanover County consider Mobile Laundry Units with the following:
 - a) 12 set laundry facility (v. 8 set laundry)
 - b) 2 electric water heaters (v. on demand)
 - c) Non-air-conditioned units (v. air conditioned)

We would be open to reviewing any bids or proposals sent to us.
- 2) Will New Hanover County be providing the fuel for the transport and disposal of water and grey water? *The units will be placed in a location in coordination with the primary water/wastewater service provider (CFPUA) and County Stormwater Management that would provide normal potable and gray water removal resources. If more resources are needed, that could be open to discussion. However, the selected vendor does need to provide the necessary backflow diverter as recommended by CFPUA.*
