

**NEW HANOVER COUNTY
FINANCE DEPARTMENT, PURCHASING DIVISION
ADDENDUM 1
QUESTIONS AND RESPONSES**

From: Lena Butler, Purchasing Supervisor
To: All Bidders
Project: RFB # 23-0003 ARROWHEAD PICKLEBALL COURTS
Date: August 5, 2022

This Addendum is related to the County's Request for "RFB # 23-0003 ARROWHEAD PICKLEBALL COURTS" and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

1. Regarding the proposed layout, the fence insets at the middle of the court will encroach into the required over-runs along the baseline of the middle pickleball courts – see attached. Please advise how best to remedy this condition.
We are in the process of removing the center and end court angles corners and replacing with straight linear fence lines. This will allow for a continuous linear fence line surrounding pickleball courts.
2. Acrylic Coatings – I've attached a copy of our standard specifications for the acrylic surfacing system we would use.
We will accept the proposed product.
3. We respectfully submit for your consideration a request to approve products as an accepted substitute on Arrowhead Pickleball Courts.
 - a. DecoColor
 - b. Plexipave**Both options are approved.**

NOTE:

The County is requesting that all bidders submit at least three (3) references with their bid. It is requested that these references are from projects completed during the last three (3) years. Reference sheet is attached.
