COMMENTS:						
There was one other bid category for a Tractor w/bush hog. Wilmington Equipment Services provided a cost of \$656/day, while S&C Construction provided a cost of \$1,200/day. After review of the bids Samuel Hawes, Landfill Manager, recommends awarding the contract to Wilmington Equipment Services Company, LLC. in an annual amount not to exceed \$50,000. This assumes the firm carries all appropriate insurance coverage required for a contractor to work at a landfill.
