

**NEW HANOVER COUNTY
FINANCE DEPARTMENT, PURCHASING DIVISION
ADDENDUM 1
QUESTIONS AND ANSWERS**

From: Lena Butler, Purchasing Supervisor
To: All Bidders
Project: RFB # 23-0172 TIRE RECYCLING & DISPOSAL SERVICES
Date: September 23, 2022

This Addendum is related to the County's Request for **"RFB # 23-0172 TIRE RECYCLING & DISPOSAL SERVICES"** and is hereby made a part of said Request for Bids to the same extent as though it were originally therein.

1. There are three tire shops listed in the bid form that would be responsible for trailer rent, transportation cost, as well as processing cost. The shops are McCarty tire, Seaside Tire and wheel, and Snider fleet solutions. The shop listed are only paying trailer rent now. Do we need to contact the shops and make them aware of the increase in their cost each month?

Existing locations will continue to only pay trailer rental fees, with other costs borne by the Department.

2. Also, in section 3.4, we are asked to provide a trailer to a tire shop that is generating less than 500 scrap tires a month, that means we would have to provide a trailer to a shop only generating 50 tires a month. We normally require the shop to generate 500 or more tires a month before we would set them up with a trailer. Could there be a typo?

In Section 3.4, it should read "greater than 500 tires per month."

End of Addendum 1
